## KidzArt (K - 5<sup>th</sup> Grade)

In this structured art class, there will be a twist! Not only will students will learn the fundamentals of drawing but half of the projects will include guided lessons with sculpture. Students will use paper, clay, and wire to create 3D works of art including an abstract sculpture, a giant jellyfish, and a 3D flower. Students will also experiment with a baleek drawing and learn how to create cartoons and comic strips.
