

Ardasley Parks & Recreation is offering a new gymnastics program for toddlers, pre-school and pre-k children

Gym On Wheels implements a proven system of kid friendly, FUN, and safe lessons your children will love! Our trained instructors and proven lessons help kids develop their fundamental athletic abilities including fine and gross motor skills, hand-eye coordination and spatial awareness.

Our gymnastics classes help promote self-confidence and socialization through positive peer-to-peer interactions.

Best of all, **Gym On Wheels** comes to your child's center! We bring all of our own equipment, specially designed for young children. No need for you to bring your child to gymnastics classes on a Friday night or Saturday morning.

It's all done in the safety of your child's center by USA Gymnastics and CPR/First Aid certified instructors!

We at **Gym On Wheels** want to share our passion for teaching gymnastics with your children. Our age appropriate classes allow children of all skill levels to excel. Our instructors feel there is nothing more gratifying than seeing the joy on a student's face when they complete their first back handspring or forward roll!
