

Music Classes

Children will be introduced to the world of music by a talented guitar or keyboard playing instructor, using such instruments as tambourines, maracas, castanets, rhythm sticks, Native American drums, accordions, and more. They will catch bubbles and dance to music from around the world!

The *Music On Wheels* curriculum, developed by Armelle Gloaguen, our music director, an accomplished music teacher with 15 years of experience, brings the diversity and beauty of the world's music to children.
