WESTCHESTER COUNTY

SCAM WARNING

FRAUDULENT CALL ACTIVITY

Westchester County Police are investigating a fraud scheme that involves the victims being called from a fake ConEdison representative and requesting immediate payment via Zelle app or the Power/Heat will be turned off. The phone number related to the calls acts as a legitimate call service 1-844-810-2814 with options to speak with a representative. The Suspects have the correct account names and numbers on file making the scheme even more believable. Payments from this investigation were made via the Zelle app to a phone number out of NYC.
