RE: DNAC Realty, LLC 500 Ashford Avenue

Dr. Donas of DNAC Realty, LLC applied for a permit to construct an approximately 300 square foot single story addition on the existing building and to convert the vacant building into a medical offices. The last tenant in the building was Chase Bank. VB approval is required pursuant to §200-65A of the Village Code. This is a Type II action under SEQR and a Notice of Intent is not required since the VB is the only the only agency with approval authority.

Type II actions are actions that do not significantly impact the environment, or are otherwise precluded from environmental review under SEQR. They include the construction or expansion of a primary or accessory/appurtenant, nonresidential structure or facility involving less than 4,000 square feet of gross floor area and not involving a change in zoning or a use variance and consistent with local land use controls, but not radio communication or microwave transmission facilities.

The plans appear to comply with the zoning regulations so the VB should declare itself Lead Agency for site plan review, refer the applicant to the PB and BAR for review and comment and schedule a public hearing for the November 6th meeting.

Let me know if you need any additional information.

Ardsley, NY 10502

Dear Board of Trustees:

On October 3, 2023, the Board of Architectural Review was presented with the proposed design for 500 Ashford Ave.

The BAR had a favorable impression of the design and materials. We have the following comments:

- The addition to the west of the existing structure would be clad in white Azek panels and the roof would be slate to match that of the existing structure, which would be repaired.
- The brick of the existing structure would be painted to match the white Azek panels of the addition.
- The existing windows would be replaced with new black windows with black trim.

The BAR looks forward to seeing the final design submission.

Sincerely,

Howard Albert, R.A.
BAR Chairperson

RE: Nicholas Donas, MD
500 Ashford Avenue
Section 6.50, Block 35, Lot 4

KSCJ Consulting has reviewed the site plans and application submitted in conjunction with the above-referenced project. The applicant is proposing the construction of a ±300 s.f. addition to an existing building, additional parking spaces and associated stormwater improvements. The 26,076.6 s.f. parcel is located within the B-1 Zoning District.

GENERAL COMMENTS

1. It is recommended that the existing handicap space be relocated closer to the building entrances, adjacent to the proposed handicap space. It is unclear how Tenant Space #2 will be ADA accessible from the handicap parking space. It is suggested to show a handicap space in front of Tenant Space #2. In addition, please explain the reason for the narrow island “strip” immediately east of the proposed handicap space.

Comment addressed.

2. Please provide the existing and proposed grades at ADA handicap parking spaces, walks and first floor elevations of the building to ensure the grades meet ADA requirements.

Although the applicant has responded to the comment with photographs, proposed spot grades are required to be shown on the plan to ensure the ADA spaces are in compliance with ADA slope standards.

4. Provide dimensions of the proposed driveway.

Comment addressed.

5. Provide inverts/elevations of the proposed stormwater mitigation system.

Comment addressed.

6. Please illustrate the roof leader connections into the proposed drainage system.

Comment addressed.

7. Provide ADA accessible warning pads within the drop curb detail and on the plan.

Although the applicant has responded to the comment that the curb cuts are existing and no sidewalk or curb cut is proposed for this project, an ADA accessible pad is required at the ADA access, per ADA standards.

8. Please provide a bollard detail on the plans.

Comment addressed.

9. Please provide existing and proposed utilities, such as water, sewer, gas, electric, etc.).

Comment addressed.

10. There appears to be a concrete curb detail on the plans, but it is unclear where it is needed. Please clarify.

Comment addressed.

11. It is suggested to show the parallel parking spaces to be equal in length, or explain why one (1) space is 24' long and the other two (2) spaces are 20' long.

The plans comply with the zoning regulations so the VB should declared itself Lead Agency for site plan review and referred the applicant to the PB and BAR for review and comment. The village's consulting engineer also reviewed the plans. The BAR and PB sent their comments to you and the consulting engineer provided a review memo. All of the engineering comments have been address except for the additional details required for the ADA parking spaces. That information can be provided prior to the building permit being issued.

If the VB is ready to approve the project, you should close the public hearing and direct Dave Smith to prepare a resolution to be voted on at the 11/20 meeting.

Let me know if you need any additional information.

BY ORDER OF THE BOARD OF TRUSTEES OF THE

VILLAGE OF ARDSLEY, NEW YORK

Ann Marie Rocco

Village Clerk

Dated: September 8, 2023

Mayor Kaboolian read the following statement:

Before we get started, I want to remind everyone again that the public hearing on this matter will NOT be closed and no approvals will be made tonight. There will be no time limit for comments, but I ask that you identify yourself and try keep your comments as brief as possible.

This board referred the application to the Zoning Board for a determination of whether the non-conforming gas station had been abandoned and for an interpretation of section 200-100D of the Village Code.

The Zoning Board was asked to decide a question involving the interpretation of the Village Code. The standard of review for the Zoning Board is one of “substantial evidence” – this standard consists of proof from the whole record to persuade a fact finder that from that proof a conclusion may be extracted that is reasonable, probative and logical. Multiple public hearings were held by the Zoning Board.

The Zoning Board resolved on January 24, 2018, that the use of the property as a gas station had NOT been abandoned and the use of the property for servicing cars had been abandoned.

Following this determination an Article 78 proceeding was filed. An article 78 proceeding is a supreme court case to review or challenge decisions of administrative bodies. It is called an Article 78 proceeding because that is the Article number under NY law.

On July 30, 2018, the Supreme Court found that the matter was not ripe for judicial review and dismissed the petition.

The Court of Appeals affirmed but stated that the petition should have been dismissed on the grounds that the petitioner lacked standing. To have standing the petitioner must be able to show harm or injury different from injury suffered by the public at large. The Court of Appeals found that the petitioner failed to allege direct harm. The Court of Appeals did not address the determination of the Zoning Board.

The application has been before the Planning and BAR for review and comment. Each one of these boards held public hearings on this matter. The minutes of all these meetings can be found on the Village website.

This Board is guided by the decision of the Zoning Board and the Court decisions and since that finding is undistributed at this time, we are moving forward with the applicant's request for site review.
The is a site plan approval process.

We have received additional comments from the public. All these comments will become part of the record.

Over the past few weeks, we have read all the comments received, I reviewed the last board meeting, we met with our attorney and asked for additional information from our building department and consultant.

As we move forward, I implore everyone to be respectful to each other at these meetings and on social media. Everyone is entitled to their opinion and to be heard on the matter.

I also want to remind people not to get their information from social media. I have seen misinformation circulated.

The best resource for information is from this board and these public meetings. Please attend, listen, and comment. That is the fundamental purpose of a public meeting.

I also want to add that comparing other projects in this Village or from neighboring villages is like comparing apples to oranges. Projects are different, circumstances are different, histories of the projects are different.

We need to address the proposal in front of us with the facts and background of this proposal. That is our mandate.

We are here again to listen and for the board and others to ask questions and to seek more information from the applicant.

Diana Bunin Kolev representing the applicant from DelBello Donnellan Weingarten Wise & Wiederkehr, LLP was present to answer any questions that the Board might have and would like a better understanding of which one of the proposals they should proceed with.

Trustee Bencosme read the following questions:

We understand it has been a long process to get the application to this stage. My understanding is that the tenant found spill incidents that had to be reported to the Department of Environmental Conservation, including spills that contaminated ground water & soil.

- Can you please share what you found, what you had to remediate as well as

what you plan to do to prevent this from happening again by continuing to maintain a similar land use?

In my research of what triggered the need for remediation, given we are going through a state environmental quality review process, I did find various spill incidents. There are spill incidents dated 4/20/2016, 4/13/2018, 11/20/2018 that do not appear to be closed.

- Please can you help us understand the current status of remediation and why these incidents might be not closed on DEC's public database?
- Are you aware that Governor Hochul has legislated that 100% of in-state sales of new passenger cars and trucks, off-road vehicles and equipment have to be zero-emissions by 2035, medium-duty and heavy-duty vehicles by 2045?
- This means the transition is happening now and must be complete in the next 11 years. Have you considered the addition of more than one EV charger given the significant transformation that is happening in the transportation sector? And whether there could be opportunity to provide more charging, especially given there are no municipal or commercial chargers in Ardsley?
- It was noted in the proposed site plan that 70% of this site will be impervious surface. Given its location at the bottom of a number of steep slopes and that there is a tributary that goes to the SawMill River adjacent to the property, has any consideration been given to reducing the extent of impervious surface, including more permeable surfaces and including green infrastructure to mitigate the increased flooding we are having in that area?

Given the transition we are going through in the transportation sector, we will all need fast charging sites. I encourage you to evaluate how many Level 2 and 3 chargers can be installed, including evaluating the grid's transmission capacity for this site. Additionally, there are significant state and federal incentives that can largely offset the cost of EV charging.

Sammy Eljamal stated the following:

- They could do four (4) EV chargers.
- Reported contamination to the DEC back in 2016.
- Requests that we close the public hearing as soon as possible.
- Agrees to construct sidewalk on Ridge Road and pedestrian safety is a concern.

Trustee DiJusto:

- Appreciates the extra EV chargers.
- Concerned about the catch basin/storm drains and hopes that they flow more

south of the property.

- Concerned about the traffic flow at that intersection of this property.

Mayor Kaboolian and the board requests:

- Traffic study.
- Drainage study.
- Lighting study.
- Stormwater study.
- Landscape Architect study.
- Plan with the four (4) EV charging stations.
- Ensure that this plan goes forward as environmentally sound moving forward.
- Will be referring this plan back to our Board of Architectural Review.

Trustee Bencosme added that the number of EV chargers that can be installed will be determined by the infrastructure and there are significant state incentives for these chargers.

Mayor Kaboolian asked the applicant to meet with the Building Inspector so that we can move forward.

David Smith, Ardsley Planning Consultant asked if the applicant can have the material prior to the December 18th, 2023 meeting.

Moved by Trustee DiJusto, Seconded by Trustee Bencosme and passed unanimously.

RESOLVED, that the Public Hearing be continued to the December 18, 2023 Board Meeting in the matter of the proposed development located at 657 Saw Mill River Road in the Village of Ardsley at 9:26 pm.

Carried by the following votes: 3-0-0

4. PROCLAMATION-ARBOR DAY

4.1 Trustee Bencosme read the following 2023 Arbor Day Proclamation:

ARBOR DAY PROCLAMATION

WHEREAS, on January 4, 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

WHEREAS, this holiday, called Arbor Day, was observed with the planting of more

than a million trees in Nebraska on April 8, 1874, and in 1875 became a legal holiday in Nebraska, and

WHEREAS, Arbor Day is now observed throughout the nation and the world, and

WHEREAS, trees reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, store carbon and thus mitigate climate change, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and

WHEREAS, trees in our Village increase property values, enhance the economic vitality of business areas, and beautify our community; and

WHEREAS, the Village of Ardsley has been recognized as a Tree City USA Community by the National Arbor Day Foundation;

NOW THEREFORE BE IT RESOLVED, that Mayor Nancy Kaboolian does hereby proclaim Saturday, October 21, 2023 as Arbor Day in the Village of Ardsley and urges all citizens to support efforts to care for our trees.

5. APPROVAL OF MINUTES:

5.1 October 6, 2023 Board of Trustees Regular Meeting Minutes

Moved by Trustee DiJusto, Seconded by Trustee Bencosme and passed unanimously.

RESOLVED, that the Village Board of the Village of Ardsley hereby approves the minutes of the Regular Meeting of Monday, October 2, 2023 as submitted.

6. DEPARTMENT REPORTS

1. LEGAL

- 1.a Village Attorney, Robert Ponzini there is nothing to report. Working on various items with staff and is available for Executive Session if needed.

2. MANAGER

2.a Village Manager, Joseph Cerretani read the following report:

DPW PROJECT UPDATE: In continuing with our Department Quarterly updates, tonight we have Public Works General Foreman David DiGregorio here with us, and he will provide an update on the DPW facility project.

RAINSTORM OF SATURDAY, OCTOBER 7: We observed significant rainfall on Saturday, October 7, with flooding in some areas in the Village. We had one road closed temporarily, which was closed for 2-3 hours. I encourage all residents who have not done so already to sign up for Nixle alerts to stay informed, especially during emergencies and severe weather events. Thank you to Village Clerk Ann Marie Rocco who helped in getting the notifications out and keeping the public informed. I also want to thank all of our first responders, including the Department of Public Works, Police Department, Fire Department and ASVAC for their tireless efforts to keep the Village safe during the event.

CURBING & PAVING: All of the curbing work for 2022 and 2023 is now complete. There is some restoration work with respect to topsoil and seeding that will be completed in the spring, but the concrete work is complete and ready for paving. The roads that were curbed between both contracts were Felix Ave, Lakeview Ave, Sweetbriar Rd, Lincoln Ave, Euclid Ave, Huntley Dr and Oak Hill Rd. ConEdison paving crews will be out beginning Wednesday this week and should be finishing early next week to restore roads that were disturbed as a result of recent gas main upgrades. They will be paving Ridge Rd, Bramblebrook Rd, Augustine Ave, Hillside Pl, Bonaventure Ave, and a section of Fuller Ave. Additionally, the annual paving program for the Village will include the paving of Sweetbriar Rd, Lakeview Ave, Euclid Ave, Oak Hill Rd and Huntley Dr and will begin next Monday the 23rd and should be done by the end of the week.

ARBOR DAY EVENT: We will be hosting an Arbor Day tree planting event this Saturday, October 21 at 9am at Pascone Park. We encourage the community to participate, all materials and supplies will be provided. We are excited to continuing this important tradition, as well as maintaining our designation as a Tree City.

ARDSLEY POLICE DEPARTMENT'S CHIEF ANTHONY PICCOLINO GRADUATES THE MID-ATLANTIC LAW ENFORCEMENT EXECUTIVE DEVELOPMENT SEMINAR

Ardsley Chief Anthony Piccolino graduated from the Mid-Atlantic Law Enforcement Executive Development Seminar (MALEEDS) on June 16, 2023, in Princeton, New Jersey. The 29th session of MALEEDS consisted of 73 men and women from law enforcement agencies throughout New Jersey, New York, and Pennsylvania.

MALEEDS hosts its annual training conference at Princeton University each year since 1993. This unique educational opportunity is designed to provide leadership training for police chiefs and law enforcement executives. MALEEDS is recognized as one of the premier selective law enforcement leadership training programs in the nation.

"While we pride ourselves on our high level educational program, the MALEEDS Executive Board also provides nightly networking opportunities to continue the learning experience outside of the classroom and encourages our attendees to foster relationships that will allow them to better themselves and their agencies," said MALEEDS President Chuck Davall, Jr.

MALEEDS, one of 26 FBI LEEDS regional command colleges, is a highly successful and selective program that provides insight into some of the many challenges facing today's police executives. Participation is by invitation only and is awarded through an exceptionally competitive application process. Class size is limited in order to maximize the interaction between instructors and attendees during this comprehensive training program.

This energetic and sophisticated educational program is proudly cosponsored by the Newark (NJ), New York (NY), and Philadelphia (PA) Divisions of the Federal Bureau of Investigation (FBI), along with active and retired law enforcement officers from the former Princeton Borough (NJ) and the Princeton Township (NJ) Police Departments, the River Vale (NJ) Police Department, and the Princeton University (NJ) Department of Public Safety.

Upon successfully completing MALEEDS, graduates become members of the larger FBI-Law Enforcement Executive Development Association (FBI-LEEDA) organization. FBI-LEEDA provides leadership training to police officers throughout the year and has an annual training conference each spring.

"We are extremely pleased with the demonstrated success of Mid-Atlantic LEEDS, and we will continue to bring the best executive level training and networking opportunity to law enforcement professionals in the tri-state area," said John DeVoe, Vice President of MALEEDS.

The community policing unit along with the fire department and school personnel attended an emergency meeting at AHS with district staff to determine the best course of action.

The community policing unit also installed 10 Child Passenger seats during the month of September.

A Message from the Community Police Unit:

Over the summer months, we saw a significant increase in attempted vehicle break ins, and even larcenies from vehicles. We want to remind our residents to always lock their vehicles, and take their keys with them. We also like to make it a point to avoid keeping any valuable items in your vehicle to limit any sort of loss in the event your vehicle is entered.

With school starting again, we are expecting new drivers to be on the road and we will heavily be enforcing school areas, including school speed zones. We want to remind everyone to respect the school speed zones and respect buses who have their stop signs extended.

The community policing unit is interested in hosting a defensive driving class that will be open to residents, new drivers and anyone else interested. We ask that if you are interested in attending the class to email PO Goldstein at jgoldstein@ardsleyvillage.com and express your interest. As this program develops, we will keep you updated.

Thank you from the Community Policing Unit.

9. CORRESPONDENCE

9.1 Hello,

We are writing to express our opposition to the reconstruction of a gas station on the corner of Ashford and Saw Mill River Rd. As Ardsley residents and parents, we are invested in the continued growth and development of the village on every level- we are excited about the vision for revitalizing the village square and would love to see Ardsley thrive economically, culturally and environmentally.

It is because we want to see Ardsley succeed that we strongly believe it is not in the village's best interests to redevelop the gas station on this corner. First, it is noteworthy that we have not suffered from the absence of another gas station in the area: between the three existing gas stations in fairly close proximity along Saw Mill River Rd., we have enough options when it comes to filling our cars. If anything, its absence may have helped a tiny bit with the existing traffic and bottlenecks that regularly occur at the intersection- adding another gas station right at this location would surely exacerbate what is already a frustrating driving experience.

Any issues with the existing space were caused in part by the station being abandoned for over 6 months, with no communication or acknowledgment from the owner until very recently. Per the law, abandonment of land past 6 months without any communication from the owner entitles the village to rezone. The owner had ample opportunity to communicate their plans, but opted not to do so. Outside of this, adding a gas station would not align with the village's plans for beatification, indeed it would accomplish the opposite and make Ardsley a less desirable space for residents, neighbors and prospective future residents. Frankly, other than the chain link fence, the wildflowers in the vacant space make for a far more beautiful space than the proposed development. Ardsley would gain more value from having more communal spaces, such as restaurants, retail, or residential development. Having something along those lines in that intersection would go a long way towards revitalizing the village square per the planned beatification- it is a central location that could highlight all of the things that makes Ardsley special.

Furthermore, gas stations are known to add toxicity to the land and cause environmental harm to neighboring spaces, specifically residences. Understanding that we are increasingly moving towards a future where about half the cars on the road will be electric, there is limited long-term economic benefit to the village and great risk of long-term environmental harm.

We hope you will take these points to account, and join us in recognizing that not only will restoring the gas station not benefit Ardsley, but will actually cause harm.

Thank you,

The Misras: Sus, Kate, Sebastian and Vivian

9.2 To Whom It May Concern,

I am writing in opposition to the proposal to build yet another gas station in this tiny village. There are numerous better uses for the space.

thanks,
Jason Petri

9.3 Hello,

I saw there is a meeting of the village trustees on 10/16 re the proposed new gas station at this address, I wanted to share some notes as a resident of a neighborhood directly affected by this. I appreciate you sharing them however appropriate, but I'll do my best to be present at the meeting.

The junction of the Saw Mill onto Ridge/Bramblebrook (opposite the bakery) is already out of control - there are vehicles (private, commercial and local authority) parked in the no parking signage 24/7, making access in and out horrendous. There are ALWAYS vehicles parked there blocking safe view of the junction. Everyone in our neighborhood has had multiple near misses with vehicles on the wrong side of the road traversing parked vehicles. Particularly given the number of large heavy vehicles parked there. I have so many videos on my dash camera it's crazy.

It is worsened by GPS systems proposing our neighborhood as a rat run for cars to avoid the junction, taking bramblebrook, lake view then hudson as a quick route to ashford by circumventing the major junction traffic lights. Cars RACE up the hill and cut the lake view junction so we had to petition for lines to be painted to reduce the number of near misses as it is...

To add another ingress/egress, on top of the fact that the main junction of Saw Mill / Ashford is already there, is just going to lead to a traffic disaster, hugely driving the risk of vehicle, or worse, pedestrian accidents.

I can not fathom how any gas station on that site can safely factor in an in/out access in addition to the existing ones on the Saw Mill right at the existing major junction.

Our village is proud to be family and pedestrian friendly. The reckless addition of yet another gas station in this location flies in the face of all the good that is being done to improve our village.

Best regards,
Simon Willcocks

9.4 Hello,

No surprise, I am vehemently against the proposal. As a resident off of Bramblebrook Road the intersection is already one of the most congested and dangerous intersections in our community given its access and linkage. How the governing body can even begin to consider adding to the congestion with another gas station, furthering a bottleneck and creating an environmental hazard to our community, is morally reprehensible.

To further my strong feelings on the matter, I am a victim of the already horrible conditions of the intersection. In Dec 2022 I was involved in a hit and run accident approaching the traffic light at the intersection of Ashford Ave and Saw Mill Road. My car required extensive repair to the front left side as a result of another car crashing into the side of my vehicle. The thought of furthering the traffic and congestion of this intersection is unreasonable for residents, law enforcement, and our bus riding school-age children.

Diana Ricketti

9.5 Hello,

My name is Jared and I've lived in the village since February 2021. Since that time, as you are aware, many new businesses have come in and done quite well, giving our town a start to a much needed and anticipated facelift. These include Booskerdoo, Honest Art, River Rock, and Liebman's on the way. I am aware that you have received much opposition to the proposed gas station, and I wanted to support that opposition as well. It would mark a step in the wrong direction during a watershed moment for the village. We are embarking on a master plan, and adding a fourth gas station would help to enforce Ardsley's identity as a road stop village with strip motels and gas stations. We can do much better to beautify and make the best of our space. Thanks for reading!

Jared Cohen

9.6 Hello,

Please share my written comments with the Board of Trustees.

I oppose the new Foodsmart with gasoline pumps. The village should rezone the property to allow multi-family residential with ground floor retail.

Please ask the owner if he would consider instead developing a multi-family apartment building if the village rezoned it. That might be the highest and best use of the property.

Ardsley is not building enough new homes. Our population grew 14% from the decade from 2010 to 2020, but the housing stock grew only 5% over the same period. (see attached) Housing is only getting more expensive. Our children are graduating college and can't afford to live in Ardsley, and will instead have to move into cramped NYC apartments with 3 roommates. Our seniors are stuck in homes larger than they need, and they can't downsize into apartments.

New York State Governor Kathy Hochul, a Democrat, launched a pro-housing communities program to prioritize \$650 million in state discretionary funding to localities committed to housing growth. Applications are open. Localities who submit documentation that their housing stock has increased by 1% in the previous year or 3% over the previous three years will qualify for certification. In Ardsley, that would

be 17 or 52 new homes. Do you want to apply for some of those funds? With our property taxes seeing the single largest increase in 10 years, +14% over last year, those state funds sure could help.

Does Ardsley want to continue to be part of the problem and make it unaffordable to live here, or part of the solution and build more housing?

New Yorkers agree; housing has gotten too expensive. For decades, New York has not been able to build nearly enough housing for everyone who wants to call New York home. The housing shortage is not only driving rents, home prices, and other housing costs to record highs — it's keeping workers and families from achieving the New York Dream.

Governor Kathy Hochul has laid out a bold vision to address New York's housing crisis by increasing the housing supply, and she remains committed to working with the Legislature to make the State more affordable and more livable for all New Yorkers.

The cost of housing in New York State is among the most expensive in the nation. The cost to purchase a home or to rent a home is caused, in part, by onerous local government policies that unduly inhibit housing development generally or prohibit the approval of certain housing proposals and thereby increase development costs and restrict the housing supply.

Local policies, practices, and decisions that impede housing development, particularly the production of multifamily units, hamper employment growth; increase the cost of living; contribute to sprawl; worsen traffic problems and commuting times; and constrain housing choice for low-income households and households of color who disproportionately rely on multifamily housing to provide them with housing opportunities that they can afford; thus, such policies, practices, and decisions lead to unintended consequences to public health, safety, and general community welfare.

9.7 Hello,

I keep seeing suggestions that approval of the gas station is a foregone conclusion. I

hope that is not true and I renew my opposition to another gas station on the site.

I would also like to convey my intention to boycott any gas station built there.

Thanks again,
Jason Petri

9.8 Hello,

Residents of Eastern, Western, Rest, Rockridge, may not be able to attend tonight. Here are some concerns these residents shared. Thank you so much!

Issues related to gas stations:

1. Previous Gas station had 4 pumps, no store, current proposal for 6 pumps and a store in an intersection that became extremely congested/dangerous over the years with new thriving businesses. Much bigger than previous business.
2. Environmental hazard, potential spills. Too close to residential homes.
3. Researchers estimate that in 10-15 years 50% of vehicles will be EVs, gas stations will close, leaves empty lots, not good for Ardsley long term as we can find ourselves in the same predicament with yet another lengthy land remediation. With current middle east war, gas prices will continue to rise, making EVs more attractive.
4. Municipalities across the country have issued moratorium on new gas stations. Ardsley should do the same.
5. Not align with current comprehensive plan land use and esthetically - comprehensive plan does not show need for a 4th gas station in Ardsley and recommends other forms of land use more beneficial to the community. Per comprehensive plan: green and healthy spaces/buildings, public art, entertainment, retail, affordable housing, more parking.
6. The Previous Gas station was abandoned for over 6 month which allows re-zoning land use
7. The owner of the gas station was price gouging during Hurricane Sandy and had to reach a financial settlement in penalties. Worker compensation fraud case during the pandemic. Doesn't have Ardsley residents' best interest in mind, not oriented towards benefitting the community. Ardsley may be bullied by lawyers to have a gas station despite opposition.

9.9 Hello,

I would like to voice my opposition to the proposed gas station at 657 Saw Mill River Road. There are currently three gas stations within two miles of each other along the same road. I believe that the addition of a fourth station adversely affects our community. That intersection is already congested with traffic and often unsafe. The owners of the Carvel located across the street from the proposed site have done a wonderful job in creating a welcoming, thriving business that's become a popular gathering spot for families. It would be in the Village's best interest to build on that and attract other businesses that similarly contribute to the vitality of our community.

But if the Village truly has no alternative than to allow the construction of the station to go forward, then why not propose that it become a charging station for electric cars instead. This is at least a forward-thinking idea that would have real benefits to our village and the owner long-term, not to mention the environment.

I hope this will be considered at tonight's meeting.

Sincerely,

Philip Mazzone

9.10 Hello,

I am writing to express my strong preference for NO NEW GAS STATION.

The junction of the Saw Mill onto Ridge/Bramblebrook (opposite the bakery) is already out of control - there are vehicles (private, commercial and local authority) parked in the no parking signage 24/7, making access in and out horrendous. There are ALWAYS vehicles parked there blocking safe view of the junction. Everyone in our neighborhood has had multiple near misses with vehicles on the wrong side of the road traversing parked vehicles. Particularly given the number of large heavy vehicles parked there.

I live up the Bramblebrook hill and that intersection with Saw Mill is awful, accident prone and scary.

- 9.11 Submitted by Eda Kapsis, resident, Village of Ardsley. Comments for the record of the October 16, 2023 2nd public hearing re: proposed plans for development of a new gas station to be located at 657 Saw Mill River Road at the corner of Ashford Road.

I remain opposed to this plan. The 1st hearing clarified that this proposed contradicts the interests of all Village stakeholders including businesses, residents, educators, and those who pass through on the State 9A.

I ask the Board to open an inquiry into the decision of the Village Zoning Board to grant a permit for this business project. The publicly available minutes cite concerns and it is appropriate to investigate the Zoning Board's procedures and their vote to grant this permit.

I ask the Board to engage legal experts to consult on remediation of the site. Significant gaps remain clearly reported in the public records. And given the extended and complex legal wrangling underway, I suggest that the Board hear from specialized legal counsel to guide review of those clear gaps.

I ask the Board and Village Manager to inform registered Village voters on the process and requirements to bring a measure relevant to this proposal to a vote on a Village ballot. Voting stakeholders have contributed substantially to plans for the Village over many years as this applicant has pursued their proposal. The voters should vote on a ballot measure to decide the outcome for this prominent location and against the backdrop of the Village Comprehensive Plan and pending Implementation Plan.

Finally, for the youth and all stakeholders who live and work in the Village now and in the future: efforts to oppose this proposal are hampered by outdated legal codes and

procedures. And as of 2023 the municipality is not required to plan to meet nor actually comply with the 2019 state CLCPA targets by any measure. These hurdles are significant, but it is clear that the majority of Village stakeholders oppose this proposal and those who can shall persevere. Thank you.

10. VISITORS

10.1 Jay Leon Springwood Ave. spoke in opposition of the project located at 657 Saw Mill River Road.

10.2 Sammy Eljamal Cross Road and applicant for the gas station at 657 Saw Mill River Road spoke in favor of the gas station. Mr. Eljamal explained that this location has always been a gas station and the intention is to re-open the station that was shut down.

10.3 Jodie Reaver Ashford Avenue spoke in opposition of the project at 657 Saw Mill River Road. Ms. Reaver had questions regarding the adverse changes to the environment specifically as the lead agency. As the lead agency how do you see whether or not this particular site plans impacts the SEQRA process?

Mayor Kaboolian explained that the SEQRA process will parallel a site plan review. Given the zoning district a convenient store is allowed.

10.4 Mark Kowalsky Ardsley resident questioned has any facts come to light and have you learned anything new and has the execution of the project on behalf of the landlord or the tenant convinced you otherwise that in fact perhaps the decision of the court or Zoning Board is disturbed and therefore should be reconsidered? How can the Board best represent the best interest of the residents? What are you offering certain resident businesses? Does this represent an expanded use?

10.5 Ardsley Resident (Ridge Rd) expressed concern with the traffic around that intersection at 657 Saw Mill River Road.

10.6 Attorney, Diana Kolev:

- Wanted to confirm that she would be getting these comments in writing.
- Wanted to confirm the version we will be moving forward with.

**RESOLUTION AUTHORIZING THE VILLAGE MANAGER TO SIGN
AN INTER-MUNICIPAL AGREEMENT WITH WESTCHESTER
COUNTY FOR THE DISTRIBUTION, INSTALLATION AND
PROGRAMMING OF THE MOBILE SUBSCRIBER RADIOS**

RESOLVED, that the Village Board of the Village of Ardsley hereby authorizes the Village Manager to sign an inter-municipal agreement with Westchester County for the distribution, installation and programming of the mobile subscriber radios located at the Michaelian Office Building, 148 Martine Avenue, White Plains, New York, New York 10601 from January 1, 2024 through December 31, 2029.

THIS INTERMUNICIPAL AGREEMENT (the “Agreement”), made the _____ day of _____, 20____ by and between:

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601 (hereinafter referred to as the "County",)

and

ARDSLEY POLICE DEPT., a municipal corporation of the State of New York, having an office and place of business at 507 Ashford Ave., Ardsley, NY 10502 (hereinafter referred to as the "Municipality").

(The “County” and “Municipality” are referred to collectively as the “Parties”.)

WITNESSETH:

WHEREAS, pursuant to Local Law No. 13-2020 adopted by the County Board of Legislators on September 14, 2020, the Parties entered into an intermunicipal agreement for police mutual aid pursuant to the Mutual Aid and Rapid Response Plan (the “Plan”); and

WHEREAS, the County operates public safety radio communication systems for the County Department of Public Safety (“DPS”), the Department of Emergency Services (“DES”), and the Department of Public Works and Transportation (“DPWT”) Bee-Line transit operations, as well as for the communication between the County and emergency first responders throughout Westchester County and the surrounding jurisdictions (the “County Radio Systems”); and

WHEREAS, the Municipality is in need of mobile radios for its municipal police vehicles programmed with radio communication systems that will allow it to communicate with the County, law enforcement, fire, EMS and other first responders for mutual aid purposes; and

WHEREAS, the County wishes to furnish the mobiles radios to the Municipality for installation in its municipal police vehicles, and the Municipality wishes to accept the mobile

radios according to the terms set forth herein.

NOW, THEREFORE, in consideration of the terms and conditions herein contained, the Parties agree as follows:

ARTICLE I

**DISTRIBUTION, INSTALLATION AND PROGRAMMING OF THE MOBILE
SUBSCRIBER RADIOS**

Section 1.1. The County, acting through the Westchester County Commissioner of Department of Public Safety or his designee, (the “Commissioner”), shall furnish the Municipality with mobile radios, including hardware, supplies, cabling, antennas, microphones and accessories as described in Schedule “A” (the “Subscriber Equipment”), for the Municipality to install, at its sole cost and expense, in its municipally-owned police vehicles according to the terms set forth in this Agreement. Schedule “A” is also referred herein to as the “Subscriber Equipment List.”

Section 1.2. The County or its vendor shall distribute the Subscriber Equipment to the Municipality. The Municipality shall pick-up the Subscriber Equipment at the date, time and place designated by the County for pick-up. The Municipality shall sign for and acknowledge receipt of the Subscriber Equipment by executing a written receipt for same, which shall be on a form prepared by the County and include the recipient, quantity, make, model and serial number of each item of Subscriber Equipment. The Parties further agree that Schedule “A” shall be updated to reflect the information in the receipt, as well as the vehicle identification number for each police vehicle the Municipality installs a mobile radio. The County shall provide a copy of the updated Schedule “A” to the Municipality, and, upon the Municipality’s receipt of the updated Schedule “A”, it shall be deemed a part of this Agreement.

Section 1.3. The Municipality acknowledges that the distribution of Subscriber Equipment is subject to the availability of funding. It shall be within the County's sole and

complete discretion as to how much and what type of Subscriber Equipment to distribute to the Municipality.

Section 1.4. The Municipality shall be responsible for installing the Subscriber Equipment into the municipal police vehicles as set forth in Schedule “A” at its sole cost and expense. The Municipality shall complete the installation within 180 days of receiving the allocated Subscriber Equipment, which time period may be extended by written consent of the Commissioner. Upon installation of the Subscriber Equipment, the Municipality shall notify the County of the vehicle identification number for the police vehicle the Subscriber Equipment was installed into. If the Municipality fails to install the Subscriber Equipment within such time period, it shall immediately return the Subscriber Equipment to the County upon the County’s request and/or the County shall have the right to repossess the Subscriber Equipment with no fine, penalty or prosecution for such repossession.

Section 1.5. The County will provide the Subscriber Equipment, as well as the initial radio programming services, at no charge to the Municipality. The initial radio programming of the Subscriber Equipment shall be in the sole discretion of the County (the “Original Programming Template”). The Original Programming Template may include (a) the County designated channels on the County Radio Systems to enable access to countywide law enforcement interoperability channels, local fire and EMS channels, and national interoperability channels, for mutual aid purposes, and (b) the local radio communication systems of the municipalities who participate in the Plan, for the police and the County to communicate with each other, as well as with fire, EMS and other first responders for mutual aid purposes. The Original Programming Template, as well as the channels and systems included therein, shall be in the sole discretion of the County.

ARTICLE II

TERMS OF USE OF THE SUBSCRIBER EQUIPMENT AND THE COUNTY RADIO SYSTEM

Section 2.1. The Municipality agrees that the Subscriber Equipment, as well as all of the radio communication systems programmed into the Subscriber Equipment, shall be used only for mutual aid events and public safety communication.

The Municipality acknowledges that the Subscriber Equipment is not intended to replace the existing local law enforcement radios used for day-to-day operations, and the Municipality is encouraged to keep its existing local law enforcement radios for its municipal police vehicles.

Section 2.2. The County hereby grants to the Municipality, its officers, employees and agents, a non-exclusive, royalty-free, personal and non-assignable license to utilize the County designated channels on the County Radio Systems in accordance with the terms of this Agreement. The County shall retain control and responsibility for the County Radio Systems.

Section 2.3. The Municipality hereby grants to the County and the municipalities who participate in the Plan, their officers, employees and agents, a non-exclusive, royalty-free, personal and non-assignable license to utilize the Municipality's radio communication system in for purposes of mutual aid. The Municipality shall retain control and responsibility for its radio communication system.

Section 2.4. The Parties acknowledge and agree that they are going to obtain and hold the FCC licenses for their respective radio communication systems. Neither party shall take any action that causes the other party to be in violation of its FCC license.

Section 2.5. Each Party's radio communication system shall remain its property. It is expressly understood that this Agreement does not constitute a lease and that no ownership or property rights whatsoever are being transferred under this Agreement.

Section 2.6. The Municipality shall be responsible for the installation, operation, maintenance, repair, reprogramming, and use of the Subscriber Equipment, including all costs and expense associated thereto.

Section 2.7. The Municipality shall, at its sole cost and expense, maintain the Subscriber Equipment in good working order and condition, and shall be responsible for the repair or replacement of the Subscriber Equipment if damaged following the Subscriber Equipment warranty period, if any.

Section 2.8. The Municipality may reprogram the Subscriber Equipment for public safety purposes at its sole cost and expense, subject to receiving the prior written approval of the County, which approval shall be in the County's sole discretion. The Original Programming Template shall not be altered. If the Municipality wishes to add additional frequencies, they can be added as an additional zone with the prior written approval of the County, which approval shall be in the County's sole discretion. The Municipality acknowledges and agrees that the reprogramming of the Subscriber Equipment for any reason may only be performed by using a vendor who is authorized in writing by the County as an Authorized Vendor and at the sole cost and expense of the Municipality. Upon request, the County will provide the Municipality with a list of Authorized Vendors.

Section 2.9. The County has established mandatory user guidelines and operating procedures for all users of the County Radio Systems, which the County may change and update from time to time ("User Guidelines"). The Municipality agrees to abide by the User Guidelines. If the Municipality fails to abide by the User Guidelines, the Municipality acknowledges and agrees that the County may immediately disconnect, suspend or terminate the Municipality's use of the County Radio Systems. A copy of the User Guidelines will be supplied to the Municipality upon its request.

Section 2.10. The County will assign alias for the Subscriber Equipment for the Municipality to use when utilizing the Subscriber Equipment on the County Radio Systems.

Section 2.11. The Municipality shall be responsible for its use of the County Radio Systems and local radio communication systems, including all costs and expense associated thereto.

Section 2.12. The Municipality shall not add any new subscriber equipment to the County Radio Systems, modify the Subscriber Equipment or the County Radios Systems, or reassign the location or unit assignment of the Subscriber Equipment, without the prior written consent of the County. Once approved, all of the terms of this Agreement shall apply to such new subscriber equipment, modification or reassignment.

Section 2.13. The Municipality shall ensure that only qualified persons with appropriate training utilize the Subscriber Equipment. The Municipality shall ensure that all qualified persons comply with all applicable laws, rules and regulations, including, those promulgated by the FCC, when utilizing the Subscriber Equipment. The Municipality shall participate in any testing and training on the Subscriber Equipment that may be required by the County.

Section 2.14. The Municipality shall maintain custody and control of the Subscriber Equipment and shall not transfer custody and control of the Subscriber Equipment.

Section 2.15. The County Radio Systems shall be available to the Municipality for only as long as the County, in its sole discretion, makes the County Radio Systems available. The County retains sole and absolute discretion in determining whether to continue to make the County Radio Systems available and, if so, to what person(s) and/or entity/ies, in what geographic area(s), for what purpose(s), and under what terms of use. The County may cease making the County Radio Systems available to one or more users, or all users, at any time, for any reason or no reason, either temporarily or permanently. For as long as the County Radio Systems are made available to users, each user will have access to the County Radio Systems, in their then-current form. The County in its sole discretion may change the County Radio Systems as it deems necessary and proper.

Section 2.16. (i) The Parties acknowledge that the County entered into an agreement, dated December 27, 2018, with Motorola Solutions, Inc. (“Agreement IT- 1559”) through which the County purchased the Subscriber Equipment. The Municipality acknowledges and understands that through this Agreement it is an Authorized User (as the term Authorized User is

defined in Agreement IT-1559) of the Subscriber Equipment. The Municipality agrees to use the Subscriber Equipment in a manner that does not violate the terms of Agreement IT-1559.

(ii) The Municipality may use the Software (as defined in Agreement IT-1559) for Subscriber Equipment only for the Municipality's internal business purposes and only in accordance with the Documentation (as defined in Agreement IT-1559). Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Municipality will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

(iii) The Municipality will take reasonable efforts to ensure it and any third party under the Municipality's direction or control will not (a) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (b) modify, adapt, create derivative works of, or merge the Software; (c) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (d) intentionally remove, or in any way alter or obscure, any copyright notice or other notice of Motorola Solution Inc.'s proprietary rights; (e) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by Agreement IT-1559; or (f) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software.

(iv) Unless authorized by the County in writing, the Municipality will take reasonable effort to ensure it, and any third party under its direction or control will not (i) install licensed copies of the Software installed in one unit of a Designated Product (as defined in Agreement IT-1559) into a device for which the Software was not authorized for use.

Section 2.17. The Municipality agrees:

A. that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees, agents, and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

B. to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of Section 2.16 (A) above and to bear all other costs and expenses related thereto; and

C. In the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

Section 2.18. The Municipality understands and acknowledges that the County has the right to reissue, remotely disable or retake possession and use of the Subscriber Equipment upon notice to the Municipality. In the event the County notifies the Municipality of such a reissuance, the Municipality will promptly return possession of the Subscriber Equipment to the County as directed by the Commissioner. The Municipality agrees to relinquish any claim in law or equity it may have concerning the Subscriber Equipment in the event of Subscriber Equipment redeployment or reissuance.

Section 2.19. The Municipality will allow the County to conduct periodic visits for the purposes of inspection of the Subscriber Equipment.

Section 2.20. Notwithstanding anything herein to the contrary, the provisions of this ARTICLE II shall survive termination or expiration of this Agreement.

ARTICLE III

TERM AND TERMINATION

Section 3.1. The term of this Agreement shall commence on January 1, 2024 and expire five (5) years thereafter, unless sooner terminated.

Section 3.2. In the event the Municipality defaults in the performance of any term, condition or covenant herein contained and does not cure such default to the County's satisfaction within forty-eight (48) hours of written notice thereof from the County, the County, in addition to any other remedy it may have to seek damages, judicial enforcement or other lawful remedy, may terminate this Agreement immediately upon notice to the Municipality. Repeated breaches by the Municipality of its duties or obligations under this Agreement shall be deemed a default justifying termination for cause hereunder without the right to further opportunity to cure.

Section 3.3. The County on thirty (30) days notice to the Municipality may terminate this Agreement in whole or in part when it deems it to be in its best interest.

Section 3.4. The Municipality on thirty (30) days' notice to the County terminate this Agreement in whole or in part when it deems it to be in its best interest.

Section 3.5. Upon termination, all right of the Municipality to use the County Radio Systems shall cease and terminate, and the Municipality shall take all steps to disconnect the Subscriber Equipment from the County Radio Systems and promptly return the Subscriber Equipment to the County.

ARTICLE IV

MISCELLANEOUS

Section 4.1. The Municipality shall not assign, sublet or transfer or otherwise dispose of its interest in this Agreement without the prior written consent of the County. Any purported delegation of duties, assignment of rights or subletting of this Agreement without the prior written consent of the County is void.

Section 4.2. The Municipality shall comply, at its own expense, with all applicable local, state and federal laws, rules, regulations, orders, codes, requirements and Executive Orders and obtain, at its own expense, all approvals, applicable to its performance under this Agreement.

Section 4.3. Pursuant to Section 308.01 of the Laws of Westchester County, it is the goal of the County to use its best efforts to encourage, promote and increase the participation of business enterprises owned and controlled by persons of color or women in contracts and projects funded by all departments of the County. Under this Agreement it is recognized and understood that the County encourages the Municipality to do similarly.

Section 4.4. The Municipality expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Municipality acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

Section 4.5. Nothing contained herein shall create a special relationship between the Parties. In addition, nothing contained herein shall be deemed to create any employment, agency, joint venture or partnership relationship between the Parties or any of their agents or employees or any other arrangement that would impose liability upon one Party for the act or failure to act on the other Party. The Municipality shall not use any logo of the County.

Section 4.6. Failure by either Party to insist, in any one or more instances, upon strict performance of any term or condition herein contained shall not be deemed a waiver or relinquishment of such term or condition, but the same shall remain in full force and effect.

Section 4.7. If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Agreement shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the Parties prior to the determination of such invalidity or unenforceability.

Section 4.8. All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or sent by hand or overnight courier, or sent by facsimile (with acknowledgment received and a copy of the notice sent by overnight courier), to the respective addresses set forth below or to such other addresses as the respective parties hereto may designate in writing. Notice shall be effective on the date of receipt.

To the County:

**RESOLUTION AUTHORIZING THE VILLAGE MANAGER TO SIGN
AN INTER-MUNICIPAL AGREEMENT WITH WESTCHESTER
COUNTY FOR PRISONER TRANSPORTATION-ZONE RATE**

RESOLVED, that the Village Board of the Village of Ardsley hereby authorizes the Village Manager to sign an inter-municipal agreement with Westchester County for Prisoner Transportation-Zone Rate located at the Michaelian Office Building, 148 Martine Avenue, White Plains, New York, New York 10601 from January 1, 2023 through December 31, 2024.

PRISONER TRANSPORTATION--ZONE RATE

THIS AGREEMENT, made this ___25___ day of
___October___, 2023 by and between:

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601

(hereinafter referred to as the “County”)

and

The Village of Ardsley a municipality of the State of New York having its office and place of business at 507 Ashford Ave, Ardsley, NY, 10502

(hereinafter referred to as the “Municipality”)

WHEREAS, pursuant to Sections 500-c and 500-d of the Corrections law prisoners are required to be transported from local municipalities to the Westchester County Jail in Valhalla, New York; and

WHEREAS, the County and the Municipality agree to cooperate in providing such prisoner transportation.

NOW, THEREFORE, in consideration of the terms and conditions herein contained, the County and the Municipality agree as follows:

1. **PRISONER TRANSPORTATION**: Except for prisoners arrested by the Westchester County Department of Public Safety, the Municipality shall provide round trip prisoner transportation using its own police department personnel and vehicles between the Municipality and the Westchester County Department of Correction for all prisoners remanded to the Westchester County Jail by court order or required to appear before the local

court within the Municipality. The County will reimburse the Municipality for the actual number of round trips. All municipalities, where possible, shall hold prisoners for one daily trip to the Department of Correction.

2. **REIMBURSEMENT**: The Municipality shall be reimbursed by the County for prisoner transportation services at the rate plus mileage per round trip indicated in the Zone Rate Plan attached hereto as Appendix "A" and made a part hereof. The rate will be paid as follows:

For transportation to County Jail subsequent to arrest - 1 round trip plus mileage;

For Transportation from County Jail to local court; no return - 1 round trip plus mileage;

For Transportation from County Jail to local court; remand to County Jail, where the time expended does not exceed three (3) hours - 2 round trips plus mileage;

Only in the following circumstances will an hourly rate and mileage fee be paid, as an alternative to the zone rate set forth above:

- a. Transportation of female prisoners (1 officer and 1 matron). A minimum of four (4) hours will be reimbursed for a matron; or
- b. Transportation of seven (7) or more prisoners (requiring an additional officer); or
- c. Transportation of prisoners charged with Class A felonies OR classified by Department of Correction as an "A" or "AA" prisoner considered to present danger may warrant (requiring an additional officer); or
- d. Transportation from County Jail to local court and remand to County Jail where time expended exceeds three (3) hours.

In the event that any one of conditions "a" through "d" above are met, then the actual per hour personnel costs incurred by the Municipality will be paid at the hourly wage

and fringe benefit cost as determined in the applicable collective bargaining agreement between the Municipality and the Municipal Police Association for police officers and/or matrons plus a mileage.

Reimbursement for mileage shall be at the rate of Sixty-six and one-half cents (\$.655) per mile, or at the then current Internal Revenue Service mileage rate, multiplied by the mileage indicated in Appendix "A".

3. **MEALS**: The County shall reimburse the Municipality for meals provided to post-arraignment prisoners for the actual and reasonable costs incurred and receipts submitted as part of the municipality's monthly voucher submitted to the Department of Correction.

4. **TERM**: This Agreement shall commence on January 1, 2023 and shall terminate on December 31, 2024. The County may, upon thirty (30) days written notice to the Municipality, terminate this Agreement in whole or in part when it deems it to be in its best interest. In such event, the Municipality shall be compensated and the County shall be liable only for payment for services rendered prior to the effective date of termination.

5. **PAYMENT**: Requests for reimbursement shall be submitted by the Municipality on a monthly basis on properly executed County claim forms and paid after approval by the Commissioner of Correction. The number of round trips made, prisoners transported and dates should be listed on the claim forms submitted to the Department of Correction. Reimbursement request shall be subject to audit by the County, and the Municipality shall keep and make available to the County such detailed books and records as are reasonably necessary to substantiate the basis for reimbursement. The Municipality shall not be entitled to reimbursement for any prisoner transportation expense not specifically provided for herein.

The total aggregate cost to the County under this Agreement and the agreements with the other municipalities for zone rate prisoner transportation pursuant to Act No. 201 – 2023 of the Westchester County Board of Legislators approved on October 2, 2023, shall not

exceed \$1,430,000. This Agreement shall be deemed executory only to the extent of the monies appropriated and available for the purpose of this Agreement and no liability on account hereof shall be incurred by the County beyond the amount of such monies.

6. **INSURANCE AND INDEMNIFICATION**: All personnel and vehicles engaged in prisoner transportation duties shall at all times remain and be deemed the employees and property of the Municipality. In addition to, and not in limitation of the insurance provisions contained in Schedule “B” of this Agreement, the Municipality agrees to indemnify, defend and hold the County, its officers, employees and agents harmless from and against any and all liability, loss, damage or expense the County may suffer as a result of any and all claims, demands, causes of action or judgments arising directly or indirectly out of the transportation of prisoners for which reimbursement is sought hereunder for losses arising out of the negligent acts or omissions of the Municipality, its agents or employees.

7. **ENTIRE AGREEMENT**: This Agreement constitutes the entire and integrated agreement between and among the parties hereto and supersedes any and all prior negotiations, agreements and conditions, whether written or oral. Any modification or amendment to this Agreement shall be void unless it is in writing and subscribed by the party to be charged.

8. **APPLICABLE LAW**: This Agreement shall be construed and enforced in accordance with the laws of the State of New York.

9. **APPROVALS**: This Agreement is subject to the approval of the Westchester County Board of Legislators, the Westchester County Board of Acquisition and Contract and the governing legislative body of the Municipality.

IN WITNESS WHEREOF, the County and the Municipality have executed this Agreement on the _____ day of _____, 2023.

SCHEDULE "B"

STANDARD INSURANCE PROVISIONS
(MUNICIPALITY)

1. Prior to commencing work, and throughout the term of the Agreement, the Municipality shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Municipality shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Municipality and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Municipality shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Municipality to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Municipality to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Municipality from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Municipality concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Municipality's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Municipality until such time as the Municipality shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Municipality maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Municipality. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

2. The Municipality shall provide proof of the following coverage (if additional coverage is required for a specific agreement, those requirements will be described in the Agreement):

- a) Workers' Compensation and Employer's Liability. Certificate form C-105.2 or State Fund Insurance Company form U-26.3 is required for proof of compliance with the New York State Workers' Compensation Law. State Workers' Compensation Board form DB-120.1 is required for proof of compliance with the New York State Disability Benefits Law. Location of operation shall be "All locations in Westchester County, New York."

Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits Policy, or both, the employer must complete NYS form CE-200, available to download at: <http://www.wcb.ny.gov>.

If the employer is self-insured for Workers' Compensation, he/she should present a certificate from the New York State Worker's Compensation Board evidencing that fact (Either SI-12, Certificate of Workers' Compensation Self-Insurance, or GSI-105.2, Certificate of Participation in Workers' Compensation Group Self-Insurance).

- b) Commercial General Liability Insurance with a combined single limit of \$1,000,000 (c.s.1) per occurrence and a \$2,000,000 aggregate limit naming the "County of Westchester" as an additional insured on a primary and non-contributory basis. This insurance shall include the following coverages:
 - i. Premises - Operations.
 - ii. Broad Form Contractual.
 - iii. Independent Contractor and Sub-Contractor.
 - iv. Products and Completed Operations.
- c) Commercial Umbrella/Excess Insurance: \$2,000,000 each Occurrence and Aggregate naming the "County of Westchester" as additional insured, written on a "follow the form" basis.

NOTE: Additional insured status shall be provided by standard or other endorsement that extends coverage to the County of Westchester for both on-going and completed operations.

- d) Automobile Liability Insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and a minimum limit of \$100,000 per occurrence for property damage or a combined single limit of \$1,000,000 unless otherwise indicated in the contract specifications. This insurance shall include for bodily injury and property damage the following coverages and name the "County of Westchester" as additional insured:
 - (i) Owned automobiles.
 - (ii) Hired automobiles.
 - (iii) Non-owned automobiles.

3. All policies of the Municipality shall be endorsed to contain the following clauses:

- (a) Insurers shall have no right to recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the insurance

policies so effected shall protect both parties and be primary coverage for any and all losses covered by the above-described insurance.

(b) The clause "other insurance provisions" in a policy in which the County is named as an insured, shall not apply to the County.

(c) The insurance companies issuing the policy or policies shall have no recourse against the County (including its agents and agencies as aforesaid) for payment of any premiums or for assessments under any form of policy.

(d) Any and all deductibles in the above described insurance policies shall be assumed by and be for the account of, and at the sole risk of, the Municipality.

SCHEDULE "B"

STANDARD INSURANCE PROVISIONS
(Contractor)

1. Prior to commencing work, and throughout the term of the Agreement, the Contractor shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Contractor shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Contractor and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Contractor shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Contractor to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Contractor to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Contractor from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Contractor concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Contractor's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Contractor until such time as the Contractor shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Contractor maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

2 The Contractor shall provide proof of the following coverage (if additional coverage is required for a specific agreement, those requirements will be described in the Agreement):

- a) **Workers' Compensation and Employer's Liability**. Certificate form C-105.2 or State Fund Insurance Company form U-26.3 is required for proof of compliance with the New York State Workers' Compensation Law. State Workers' Compensation Board form DB-120.1 is required for proof of compliance with the New York State Disability Benefits Law. Location of operation shall be "All locations in Westchester County, New York."

Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits Policy, or both, the employer must complete NYS form CE-200, available to download at: <http://www.wcb.ny.gov>.

- b) a) **Commercial General Liability Insurance** with a combined single limit of \$1,000,000 (c.s.1) per occurrence and a \$2,000,000 aggregate limit naming the "County of Westchester" as an additional insured on a primary and non-contributory basis. This insurance shall include the following coverages::

- i. Premises - Operations.
- ii. Broad Form Contractual.
- iii. Independent Contractor and Sub-Contractor.
- iv. Products and Completed Operations.

- c) **Commercial Umbrella/Excess Insurance**: \$2,000,000 each Occurrence and Aggregate naming the "County of Westchester" as additional insured, written on a "follow the form" basis.

NOTE: Additional insured status shall be provided by standard or other endorsement that extends coverage to the County for both on-going and completed operations.

- d) **Automobile Liability Insurance** with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and a minimum limit of \$100,000 per occurrence for property damage or a combined single limit of \$1,000,000 unless otherwise indicated in the contract specifications. This insurance shall include for bodily injury and property damage the following coverages and name the "County of Westchester" as additional insured:

- (i) Owned automobiles.
- (ii) Hired automobiles.
- (iii) Non-owned automobiles.

- e) **Contractor's Professional Liability**. The Contractor shall provide proof of such insurance. (Limits of \$1,000,000 per occurrence/\$3,000,000 aggregate).

3. All policies of the Contractor shall be endorsed to contain the following clauses:

(a) Include "SUB WVD" Insurers shall have no right to recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the insurance policies so effected shall protect both parties and be primary coverage for any and all losses covered by the above-described insurance.
