Rivertowns Pollinator Pathway Living Classroom

January 12, 2021, at 7:00 p.m.

Zoom Presentation - Register at

<https://forms.gle/t1UyC99B2Z5qZTsB9>

Cathy Ludden will present about the crucial role that meadows, both large and small, have in maintaining a healthy environment and why they are the "original pollinator gardens" created by nature. She will talk about how to design and create a native plant meadow and why they are essential to the health and future of the planet.
