

MANAGER'S REPORT 4/3/17

1. **ASHFORD AVE BRIDGE:** Rather than continue to insert all of the alerts in this report at each meeting, I will just encourage everyone to sign up for our electronic alerts via our website and monitor all bridge news directly from the County at:

2. **9A Project Update:** I have requested an update from the Town of Greenburgh on the re-paving and striping of 9A. As you will recall, the N.Y.D.O.T. inspectors refused to accept the work done by the contractor and the work needs to be re-done this year. I am told that Greenburgh is in the process of reviewing the best way to proceed, so I do not yet have a date for when this work will take place.
3. **"Downtown Revitalization" Meeting:** We have sent out a flyer to every property in the Village notifying them of our planning kickoff meeting on April 20th at 8:00 PM next door at the firehouse. We have also posted the information on Facebook, Twitter and through our email blast, and it will also appear in the Enterprise. We are all very excited about the work that is about to begin on planning for Ardsley's future and we hope that we will gather great support and participation in developing a comprehensive plan and visioning document for the community. Please join us on the 20th!
4. **Village Hall Closing:** Residents are reminded that Village Hall, including Justice Court, the Community Center, the Ardsley Public Library and the Highway Department will be closed on Friday, April 14, 2017 in observance of Good Friday. There will be a double collection of recyclables on Wednesday, April 12, 2017 and refuse will be collected throughout the Village on Thursday, April 13, 2017.
